

OPEN CALL

For the *STERRRN festival 2024* - on June 21st/22nd/23rd, 2024 at the Austrian Sculpture Park - we are looking for:

Artists and cultural mediators
who would like to engage with individual sculptures of the Sculpture Park within the framework of the
STERRRNWARTEN (OBERVATORRIES)
of the festival.

You are invited to submit your original concepts - including cost estimates for materials and personnel - for a station by March 17th, 2024 (deadline: Sunday at 23:59).

The engagement could be:

- a music and/or theatrical performance (up to 30 minutes)
- a lecture, workshop, or interactive offering to visitors (up to 30 minutes)
- the setup of a sound installation

Engagement with queer-feminist questions or addressing the fundamental discourse theme "How can equality for queer and FINTA* persons be implemented as sustainably as possible in the cultural sector?" is encouraged but not mandatory. Thematic reference to a selected sculpture of the Sculpture Park is also encouraged. An overview of all sculptures can be found here.

We look forward to your ideas - please send us an email at grrrls@grrrls.at with your concepts or questions about the call.

You can find current information about the festival anytime at sterrrn.grrrls.at.
